Whilst specialising in wedding hair and makeup, we also cover all aspects of hairdressing including cutting, colouring and extensions! Your hair appointments on the lead up to your wedding are so important to achieving your chosen style so please speak with us to discuss further and book in your pre wedding appointments in advance.

Before the big day, please ensure your whole bride tribe wash and dry their hair the day before the wedding. Try not to use any strong products including dry shampoo or hairspray.

Whilst we do bring stools, lighting and all the necessities, it is convenient to have a section in the room dedicated for us to work in with good lighting.

Timings on the day runs at approximately 45 minutes per service, depending on the look. We aim to have the whole party ready 1 hour before the ceremony, this extra time allows for top-ups, photographs and accessories. To help us keep to this schedule please make sure there are two people available for glam at all times.

Please note that any cancellations that way occur with less than 6 months notice still will be required to pay 40% of the total bill.

Bridal parties requesting more than 6 services may require an extra team member. This starts from £100 per team member.

Fuel costs may vary depending on venue.

All trials take place in our salon and are encouraged to be booked in 3-4 months prior to your wedding date to ensure availability. We ask you to come prepared with photographs, any accessories and your veil.

The trials last around 1 hour for hair and 1 hour for makeup. Before you leave we make sure you're made fully aware of the format and timings for the day along with answering any questions you may have.

Please note, while we would love to host your whole bridal party when your trial is taking place, our salon is only small and space is very limited. If you do require bringing anyone along with you please keep this to 1 person.
